

PRE-1964 WASHINGTON QUARTERS BU

Hello [Recipient's Name], it's [Your Name] from Premier Coin Galleries. How are you today? I hope you're doing well. I'm excited to be speaking with you! I remember our previous conversations about Silver, and I've always kept you in mind for such opportunities.

A good client of mine liquidated a small piece of his portfolio to help his grandkids. I just brought in 25,000 pre-1964 solid silver Washington quarters; you remember those, right? Good. Well, _____, believe it or not, they came back sealed and preserved in those 2000-coin monster boxes in a choice brilliant uncirculated condition, bright white exceptional strike. We're talking coins in this condition with previous market highs well over \$____ per coin! Across the country, they wholesale dealer to dealer at \$____ to \$____ per coin. I have them on a one-day promotion for clients only, strictly to impress. I have them at just \$____ each! HALF PRICE... it's unheard of! I have them in units' of 1000 coins, with a maximum of 2 units, because at this price, I want to be fair and pass them around. I'm recommending EVERYBODY grab two units because at \$____, in my lifetime, yours, our kids, and grandkids, we'll never see them this cheap again! Grab the two units... it's an absolute homerun, ok?
